Activity Terms

Corporate Tour

Corporate Tour is our opportunity for local businesses and business leaders to financially support our group. Members call on businesses who are excited about YP's in our community and discuss the organization's accomplishments and future goals. These contributions are used to support events such as the Innovation Market and all activities of our organization.

YP Iowa

SCGO also offers its members insight into becoming involved with YPIowa. Our relationship with YPIowa enables SCGO members to network with young professionals from across the state and attend events that are beneficial for young professionals on a personal level as well as their community. Strictly Social

Strictly a social event where SCGO members gather for the sole reason of being social.

YTRAP

Stands for "Young, Talented Representatives and Professionals." Members get-together at various locations around Sioux City where we have an educational speaker and networking opportunities.
